

Colrain Board of Health
Meeting Minutes
June 7, 2023
6:30pm

Meeting called to order at 6:36

Public member attendees: Greg Olchowski, Madison Annear, Mary Annear, Jean Dwight, Chet Sobieski, Jeannine Hadid, Michelle Dwight, David Annear, Danny Abbott, Penny Kurra, Sydney Snow, Kevin Snow, Phyllis Abbott, Jody Beaupre', Eugene Dwight, Todd Pease, Sarah Kociela, Brandon Dix, Todd Sessions, Ben Eastman, Jonathon Lagreze

CBOH members and staff present: Gary Ponce, Nina Anzuoni, Tim Slowinski, Kate Minifie, Randy Crochier and Alice Wozniak, Boards Clerk.

1. Meeting minutes from 5/2/23 approved by unanimous consent, granted we make two changes: minutes from April never received or approved, Nina's named spelled incorrectly.

2. Catamount Sportsman's Club - present for discussion.

Randy met with Chris Stoddard to discuss the next steps. Both agree that an 800k gallon tank (750/day) tank is reasonable to accommodate the group and their activities, assuming a roughly 150-day (about 5 months) season. Next steps will include a petition for hearing to request variances to title 5. Abutters will need to be notified. Mary to work with Alice on attending to this prior to July meeting. Randy suggests that they reconsider the language currently included regarding transient visitors. Further questions will be addressed at the July meeting.

3. CPHS Update - Randy

107 Adamsville - No update, Alice will share owner's contact info with Randy.

Call Rd - Failed title 5, 2 years to address. Condemnation lifted and Alice to send copy of the minutes to the owner.

269 Heath Rd - sold.

109 Heath Rd - no update.

116 Main Rd - sold w/o title 5.

12 Wilson Hill - sold, Randy has design and moving forward.

44 Wilson Hill - letter of compliance sent. Randy to follow up.

CSC - see update above.

34 Adamsville - needs second notice

22 Heath Rd - no update.

Tire discussion (not sure name of public member in attendance)

Working with CT River Conservancy to apply for grant funding (15k) for tire cleanup in Colrain. Estimates 3500 tires across town. Will request letter of support from CBOH when grant application is ready to go. CBOH will need to review grant application/tire removal plan ahead of time.

4. Nursing Update

Meg Ryan has completed SHINE training and soon to be certified. She is available during some nursing hours.

5. Neighborhood Renewal

Randy will talk with Maya about presenting to CBOH at an upcoming meeting.

6. CPHS Oversight Meeting

No major update. The second in person meeting went well.

7. MAPCHO

See invite via email. Randy and Nina to attend an upcoming meeting.

8. Dust on East Colrain Rd

(don't know name of public member)

Here to ask for CBOH support with issue of too much dust on e. colrain road post fill in 2019. See minutes from BLANK for more detail. This issue has not yet been deemed a public health hazard and should go to the selectboard/FRCOG, including a soil test, prior to having another discussion.

Motion to close at 8:18 by Nina Anzuoni.
