Re: Planning Board Hearing Continuance Request – Tarpon Towers & Celco Partnership d/b/a Verizon Wireless (collectively, the “Applicants”) Special Permit Application for Proposed Wireless Communications Installation on Call Road

Dear Chair Slowinski:

The Planning Board (“Board”) is scheduled to conduct a hearing on Wednesday, June 11, 2025, regarding the above-captioned special permit application.

We are still in the process of negotiating access and utilities rights relating to the alternative access way to address the concerns posed by abutters and the Board, and therefore respectfully request a continuance of the June 11, 2025, hearing to the Board’s August, 2025, hearing date.

Please do not hesitate to contact me should you have any questions regarding this request.

Very truly yours,

Michael A. Fenton, Esq.
